

ARNAUD VAN GRAMBEZEN

ATTORNEY

ABOUT ME

As a corporate lawyer, I assist clients as well on specific corporate law matters (M&A deals, shareholders' agreements, securities issues, corporate restructuring, conflicts of interests, directors' liabilities, etc.) as on general business matters (commercial leases, management agreements, distribution contracts, bankruptcy, etc.).

This practice allows me to efficiently provide legally sound advice in a wide range of business-related matters.

Furthermore, I have been teaching corporate law to accounting students and taking part to various seminars as a speaker, allowing me to develop a focus on clarity and conciseness while delivering complex legal advice.
