

JULIEN LECLERE

C.E.O. Ethikos International

ABOUT ME

I am a senior attorney with over 20 years of experience in Luxembourg and internationally. I combine a strong legal background with an entrepreneurial mindset, having founded and managed law firms and businesses across various sectors, including finance, real estate, healthcare, and design.

I co-founded Ethikos in Luxembourg and later helped develop Ethikos International. My focus is on building bridges between law and innovation, helping entrepreneurs structure and launch their ventures while ensuring strong legal foundations.

I am passionate about art, philosophy, architecture, and golf—and I believe that good design and good law share the same goal: clarity and balance.
