

## Ines ADJIBI

### JUNIOR ATTORNEY

#### ABOUT ME

I am a second-year junior attorney with diverse legal experience in business law, civil law, tenancy law, and public procurement. I have developed a strong interest in compliance, particularly in anti-money laundering (AML), including KYC and KYT processes, as well as banking law.

Organized, detail-oriented, and possessing a collaborative mindset, I excel in both team environments and when working independently. My career path encompasses legal practice in Belgium, France, and Benin, providing a multicultural and transnational perspective on complex legal issues.

#### SKILLS

Business and commercial law, civil and tenancy law, public procurement, banking litigation, AML (KYC & KYT), international contract law, case management, and client advisory.
